**Notes on completing this form**

1. For a definite request, Parts A & B must be completed by either the Ferry Operator or their customer. If completed by the customer the form **must** be submitted to the relevant Ferry Operator for checking and onward transmission to the Port
2. Prior to further completion and onward transmission to the Port, the vehicle registration number must be used to save the form. The Ferry Operator will verify that Parts A & B are complete and correct and forward the form to the Port of Dover.
3. Requests not made on this form or where data is incomplete will be delayed whilst enquiries are made
4. For out of hours support / enquiries please contact Port of Dover, Terminal Control: **TELEPHONE +44 (0) 1304 240427**
5. Loads embarking at Dover **must** report to the Police Station, Eastern Docks entrance on arrival.

All approved Out of Gauge Loads embarking at Dover **MUST** stop in the holding bay shown on the map below, and report to the Police Station.

Map of Entrance to Port of Dover, Eastern Docks
