Dear Partners,

As per the instructions announced by the Greek Authorities for the prevention of the spread of the COVID-19 pandemic in view of the lifting of the ban on passenger boarding, we inform you the following:

According to Article 1 published in Government Gazette 2602/B28.06.2020, all travellers to Greece, regardless of nationality, **must submit**, within a period of forty eight (48) to seventy two (72) hours before their arrival, the electronic form **Passenger Locator Form (PLF)** which is available at <https://travel.gov.gr>.

Kindly note that it is mandatory to show a printed or electronic copy of the PLF form to staff of the General Secretariat for Civil Protection and the National Agency for Public Health (EODY) in charge of medical examinations.

Boarding will not be possible for passengers who have failed to submit said PLF through the application before check-in.

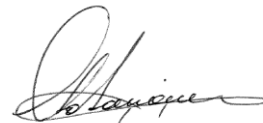

In addition to the above, all passengers travelling to and from Greece must fill in the attached “**Pre-boarding health declaration questionnaire**” and hand it over upon embarkation to the vessel's Chief Purser along with their ticket.

Please inform accordingly your customers.

Yours Sincerely,
