

Register Now: Are you a Port Worker, Visitor or Contractor?

From Monday, 17th August 2020, all Port Users must have successfully completed a two-step safety & security process to access the Common User Area in Dublin Port.

Step One: Successfully complete a Dublin Port Safe Pass Induction course

Step Two: Apply for an Access Control Card

Step One: Dublin Port Safe Pass Induction

>1

Log on to:
dublinport.ie/safepass
Click **REGISTER NOW**

>2

Complete registration –
Name, Email, Phone,
Password

>3

Select the area in
Dublin Port you need to access

>4

Verify your identity with a
photo capture – from a camera
enabled device

>5

Watch the Induction Video –
learn about the environmental
health, safety and security risks
and requirements

>6

Answer multiple-choice
questions – some are
mandatory to pass

>7

Achieve a minimum score of
80% to pass

>8

Proceed to Step Two and
apply for your Access Control
Card

All Port Users will be required to re-take the Dublin Port Safe Pass Induction every four years.

Apply Now:

On successful completion of Step One, Port Users are eligible to apply for an Access Control Card.

Step Two: Access Control Card Application

Existing Card Holders: **Access** will be updated automatically within 7 working days of passing.

New Card Applicants: **Apply** for a Control Card for the area you need to access (see map).

>1

Log on to:
dublinport.ie/safepass
Click **APPLY NOW**

>2

Complete the access control card application form

>3
